## RELEVANT SKILLS

- Languages :Arabic , English
- Creativity
- Critical Thinking
- Problem Solving
- Leadership
- A commitment to ongoing learning
- Strong communication skills
- Adaptability

## WORK EXPERIENCE

### Green Valley

Design Engineer

September 2018 to November 2020

- Designing the projects of bus stops and reading it by solid works and e-drawing.
- Working on CNC and fast cam.
- Coordinating with suppliers and vendors to ensure that project materials

### Arabian Jerusalem Co.

Site Engineer

March 2020 to Nov 2022

- Designing rolling shutter systems using mechanical engineering principles and selecting appropriate components, such as motors and sensors.
- Developing rolling shutter systems using knowledge of electrical and electronic systems to ensure proper functioning.
- Installing rolling shutter systems by programming and testing the controllers, motors, and sensors.
- Commissioning rolling shutter systems to ensure proper functioning.
- Troubleshooting rolling shutter systems to identify and address any issues that arise.
- Maintaining rolling shutter systems by performing routine maintenance tasks and addressing any maintenance issues that arise.

## EDUCATION HISTORY

### Minor in Full Stack Development

Institution: AXSOS Academy GmbH

Year of Graduation: 2023

### Bachelor of mechanical engineer

Institution: Al Najah University

Year of Graduation: 2018

## TECHNICAL SKILLS

### Programming Languages

Python

Java

JavaScript

HTML

SQL

CSS

API

AJAX

### Frameworks

Spring Boot

Node JS

React JS

Bootstrap

Django

Flask

### Tools

MySQL

Git

Github

AWS

## TRAINING COURSES

HVAC

MS offices

Autocad

Solid Work
